

ACHEIVEMENT

Birla Institute of Technology, Mesra had organised a TechFest-**“Pantheon-2018”** during October-2018 in which a few students of KIIT ROBOTICS SOCIETY visited their campus to participate in a few events.

Team **“The Technocrats”** having team members- **Shrey Chirag Shah, Anwita Chakraborty, Ishita Kundu, Aditya Mohan** stood ***third*** in a flagship event named **Droid Trooper 2.0**.

Droid Trooper was a manual bot event which consisted of two rounds. The first round was to traverse over the all-terrain arena which consisted of various kinds of obstacles, each obstacle being unique and carrying unique points based on their difficulty. The second round was to traverse the same arena along with a cube which was to be lifted and kept back at the specified location. The one with least time and max point wins.

The Technocrats won a winners trophy, flagship winners certificate, cash prize and gift vouchers for securing the gift vouchers.
